RECOMMENDATIONS
regarding the elaboration of the papers for the scientific journal
“*Oltenia. Studii și comunicări. Științele Naturii*”

The journal is edited by the Oltenia Museum Craiova and it publishes original papers in the fields of vegetal and animal biology, ecology-environment protection, mineralogy-palaeontology, as well as scientific reports, reviews, anniversary or commemoration papers.

It appears annually, it is **Web of Science-Zoological Record indexed** ([http://science.thomsonreuters.com/cgi-bin/jrnlst/jlresults.cgi?PC=MASTER &Word=oltenia](http://science.thomsonreuters.com/cgi-bin/jrnlst/jlresults.cgi?PC=MASTER&Word=oltenia); <https://mjl.clarivate.com/search-results>) and **accredited by CNCISIS as a B+ Journal**.

I. Structure (format) for original papers, scientific reports and reviews:

<i>A</i>	Original papers	will be structured according to the information rendered in the Table 1.
<i>B</i>	Scientific reports	will be structured according to the author's (authors') preferences, but it has to include abstract and key words, both in English and Romanian.
